Identity and Educational Purpose Verification (If Cannot Appear in Person to Be Signed With Notary)

Your 2024-2025 Free Application for Federal Student Aid (FAFSA) was selected for review in a process requiring verification of identity criteria and other relative criteria. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and/or your parents or spouse reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about this verification process, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.
