Summer Application for Financial Aid

Financial Aid for Summer Session

All students who wish to receive financial aid for the Summer 2010 session must file a separate Summer Session Application for Financial Aid by April 23rd, 2010 included below. You must have also filed the 2009-2010 FAFSA and completed all necessary paperwork by April 23rd, 2010 in order to receive an award for Summer. Applications submitted after this date may not be awarded by the time tuition is due. This may cause the student to lose their place in the assigned class.

The student must also have made satisfactory academic progress by the end of the Spring semester of 2010 to be considered for Summer aid. Due to the increased contact hours of all classes during the short summer session, we strongly advise the student to carefully consider their enrollment load before registration. The student is expected to complete all registered classes to avoid possible repayment of Financial Aid.
