CAMP DESCRIPTIONS

- **AgVentures - Horticulture and Animal Care**

- Always wanted to get into hydroponics at home? Want to merge your creativity and love of the outdoors into landscape design? Or maybe you're interested in small animal management? ACC's Agventures Camp exposes middle school students to the agricultural and adjacent industries. We promise dirty hands, new experiences, and fun!

- **Arts and Apparel**

- Dive into the creative world of artistic expression by exploring various two and three-dimensional mediums. In this exciting workshop, led by Terry Durham, the owner of Applied Rare Talent, you'll have the opportunity to personalize your apparel. Bring a pair of sneakers and a T-shirt that you'll transform through painting and design, leaving you with unique pieces that showcase your style.

- **Advanced Computer Animation (MS) *Preferred to have previous experience in animation or taken intro camp***

- Step into the dynamic realm of advanced computer animation! This course allows young creatives to enhance their skills, focusing on sophisticated techniques and tools necessary in the animation industry.

- **Advanced Computer Animation (HS) *Preferred to have previous experience in animation or taken intro camp***

- Explore higher-level animation concepts and techniques in this advanced course. Perfect for students eager to deepen their understanding of animation, this workshop will enhance your creative abilities.

- **Cybersafe (MS)**

- Join an exhilarating Cybersecurity summer camp designed for curious minds! Engage in hands-on labs, interactive activities, and thought-provoking group discussions. Put your skills to the test in a fun competition where you can win exciting prizes!

- **Entrepreneurial Mindset (MS)**

- Join us for an engaging week of exploration at the Entrepreneurship Camp! This program encourages students to cultivate their entrepreneurial spirit through guided exercises focused on problem-solving, creative thinking, teamwork, and resourcefulness. Experience a simulated small business ecosystem within the Community College environment, fostering collaboration and innovative thinking.

- **Entrepreneurial Mindset (HS)**

- Embark on a week filled with exploration and inspiration at the Entrepreneurship Camp aimed at high school students. This immersive program combines guided exercises in key entrepreneurial concepts with real-world applications, offering an enriching experience that prepares you for future business endeavors.

- **Equine Horse Camp**

- We're excited to offer a unique Non-Horse Horse Camp, perfect for anyone who loves horses but isn't ready to ride! Participants will learn about horse care, grooming techniques, conformation, behavior, and anatomy. There's even a fun stick horse competition to showcase creativity and skills using horse equipment. Discover that there's so much more to horses than just riding. Join us!

- **Exploring Drawing and Water Colors (MS)**

- Unleash your creativity in this drawing and painting workshop tailored for middle school students! Learn various artistic techniques in both drawing and watercolors. We will cover vital skills like value, composition, and blending, ensuring you gain confidence in your artistic endeavors.

- **Exploring Drawing and Water Colors (HS)**

- Do you want to enhance your drawing skills or learn the art of painting? In this workshop, explore the fluidity of watercolors alongside traditional drawing techniques. Delve into essential topics such as value, subject selection, and composition while mastering the art of blending smooth gradients and creating stunning artwork.

CAMP DESCRIPTIONS

- **Fire Academy**

- Join the excitement at the Fire Academy High School Summer Camp! This hands-on program is designed for students eager to explore fire safety, emergency response, and public service. Dive into thrilling physical training and tackle simulated fire scenarios, all while gaining valuable knowledge in fire science and emergency management. Don't miss this chance to ignite your passion and become a community hero!

- **Full Tank Automotive**

- Come to ACC's state-of-the-art automotive facility and learn wrench-turning from some of the best. We'll cover the basics - changing a tire, checking fluids, and checking the battery - and also leave room for more advanced instruction. Closed-toe shoes are required.

- **Heat and Hammer Metal (HS)**

- Get ready for an exciting week in the Welding Department this summer! Dive into blacksmithing, basic welding, and project design, where you'll create an awesome fabrication project by the end of the week. No experience needed—our skilled instructors are here to help you every step of the way! Open to ages 14 - 18. Just remember, closed-toe footwear is required. Don't miss out on this thrilling opportunity to unleash your creativity!

- **Intro to Computer Animation (MS and HS)**

- Kickstart your journey into the enchanting world of animation! Learn how to animate your own creations using a web-based platform. From developing engaging GIFs and SVGs to crafting an animated short, this hands-on workshop guides you through concept creation, storyboarding, and final exporting of your work.

- **Intro to Homesteading**

- Join us for an exciting adventure at our *Intro to Homesteading* summer camp! In this hands-on, immersive experience, you'll learn essential skills for sustainable living and self-sufficiency. Perfect for kids this week-long camp invites you to reconnect with nature and dive into the world of homesteading. Whether you're a beginner or looking to expand your knowledge, you'll gain the tools to embark on your own homesteading journey. Don't miss out!

- **Junk Journaling (MS and HS)**

- Discover the whimsical art of junk journaling, where the ordinary transforms into the extraordinary! This workshop invites you to use recycled materials to create a one-of-a-kind journal that captures your memories and inspiration. Embrace your creativity and prepare for a delightful journey—just be warned, this art form can be highly addictive!

- **Machining with ACE Camps**

- Want to try your hand at computer programming? How about programming that controls the movement and precision of giant machines? Want to make your own Air Powered Motor? America's Cutting Edge (ACE) may have a place for you! Our mission is to help you discover the exciting opportunities available through advanced machining. Curious about what ACE can do for you? Then sign up for the ACE Boot Camp and give machining a chance for the week.

- **Makerspace Middle (MS)**

- Step into the exciting world of creation at ACC's Makerspace! A hub for aspiring graphic designers and DIY enthusiasts, this program offers hands-on exploration of 3D printing, vinyl cutting, button making, and more. Unleash your creativity in a supportive and fun environment!

- **Makerspace Studio (HS)**

- Experience an intensive week in the Makerspace Studio, designed for high school students passionate about graphic design, digital arts, and creative DIY projects. Explore various cutting-edge tools such as 3D printers, vinyl cutters, and laser engravers. With guided instruction and creative freedom, you'll have the chance to bring your innovative ideas to life!

CAMP DESCRIPTIONS

- **Music Is Medicine**

- Our *Music is Medicine Summer Camp* offers a unique, transformative experience for children to explore the healing power of music. Throughout the camp, participants will engage in a variety of activities designed to enhance emotional well-being, foster creativity, and build confidence through music.

- **Outdoor Adventures Camp: Land**

- Step into the wild with Outdoor Adventures Camp: Land, where middle school students will explore the incredible ecosystems that thrive on solid ground. Discover how animals have evolved to survive and thrive through animal adaptations and get hands-on with pollination as you grow your very own butterflies! Delve into the hidden history of forests by reading tree rings, learning how trees tell stories of climate, age, and growth.
- Through interactive activities and close encounters with nature, campers will gain a deeper understanding of the natural world and how to protect it. Join us for a summer adventure rooted in discovery and fun!

- **Outdoor Adventures Camp: Water**

- Make a splash with Outdoor Adventures Camp: Water, where middle school students dive into the fascinating world of aquatic ecosystems! Get creative by building your own rainstick, inspired by the sounds of rainfall, and explore freshwater habitats by catching macroinvertebrates—tiny creatures that play a big role in water quality and ecosystem health.
- From crafting to creek adventures, this camp offers hands-on experiences that will deepen your understanding of water's role in the environment. Dive into a summer of fun and discovery at Outdoor Adventures Camp: Water!

- **Sew it Begins (MS)**

- Embark on your crafting journey in this introductory sewing camp, where you'll master essential sewing skills through fun mini-projects leading to a final creation—a stuffed animal! Participants are encouraged to bring scissors for fabric, pins or clips, and any materials they'd like to use for their project.

- **Small Engine Repair**

- In this camp, we will explore small engine repair, focusing on the theory behind 2-stroke and 4-stroke engines while gaining hands-on experience. You'll learn to diagnose common issues and tackle more complex repairs. All tools and equipment will be provided, but participants must wear long pants and closed-toed shoes.

- **The Beauty Industry**

- Welcome to *The Beauty Industry Summer Camp*, where creativity, self-expression, and artistry come to life! This fun and interactive camp is designed for young beauty enthusiasts who want to explore the exciting world of nail art, hair braiding, and makeup artistry. Whether you dream of becoming a professional in the beauty industry or just love to get creative with your look, this camp is perfect for you!

- **Which Uniform is Right for You? (HS)**

- Join us for a week of immersive career exploration in health and public services! Experience hands-on activities while learning about various exciting fields, including dental assisting, medical lab technology, nursing, and more. This unique opportunity will guide you through potential career paths that can shape your future.

- **Wood Burning (HS)**

- Ignite your creativity with wood burning! Learn the art of pyrography starting with simple landscapes and text designs. Under the guidance of local arts entrepreneur Terry Durham, you will discover techniques to create stunning images on wood, taking home your very own artistic masterpiece!

- **World of ESports**

- Join us for an exciting week of gaming and learning! Discover the history of esports, explore career paths like professional gaming and game design, and compete in friendly matches with fellow campers. Whether you're a casual gamer or an aspiring pro, this camp offers something for everyone. Let's game on!

SUMMER CAMP WAIVER

TERMS FOR RELEASE/WAIVER FORMS FOR PARENTS AND GUARDIANS

In consideration of the acceptance of my son/daughter (Participant) by Alamance Community College (ACC) into its Summer Camp Program, I hereby acknowledge and agree to the following:

It is agreed that the Participant will abide by the rules and regulations of ACC for the Summer Camp Program. If the Participant violates such rules and regulations, and/or if he/she does anything which puts the safety or welfare of the group or of himself/herself in jeopardy, ACC may take disciplinary or other action against the Participant, including, but not limited to expulsion of the Participant from the Summer Camp Program and sending the Participant home at my expense.

I recognize that ACC is in no way liable or responsible for my son's/daughter's transportation to or from the Summer Camp Program. If I fail to provide transportation to or from the Summer Camp Program for the Participant, I authorize ACC in its sole discretion to do so. I accept inherent dangers while driving or riding in a motor vehicle. If an incident should occur that injures or causes death to my son/daughter while traveling to or from the Summer Camp Program, I fully understand and agree that ACC is not liable. I must provide to ACC in writing any limitations or restrictions upon the person(s) to whom and/or the conditions by which the Participant may be released or transported to or from the Summer Camp Program to persons other than the undersigned. Absent such written instructions, I authorize ACC to release or transport the Participant as it deems appropriate in its sole discretion.

I have disclosed in writing to ACC any medical condition of the Participant that is relevant to his/her participation in the Summer Camp Program. I hereby give my consent for ACC to have the Participant treated by a physician or other medical care provider in case of sickness, sudden illness or injury while participating in the Summer Camp Program. It is understood that ACC and its staff do not provide medical insurance for such treatment and that the cost thereof will be at my expense. If I have provided ACC with my child's physician information, ACC will reasonably attempt to contact such physician for the Participant. However, I understand and agree that ACC may in its sole discretion determine that the nature of the sickness, illness, or injury may require the use of different emergency or other medical personnel.

I understand that ACC is not an insurer of the Participant, and it assumes no liability for personal injuries or property damages to the Participant or third parties arising out of the activities of the Participant.

I understand that photographs, videos, or other likenesses of the Participant may be taken and may be provided to publishers, used on ACC's website or otherwise on the internet, broadcast on television, radio, or otherwise, used in demonstration or presentations, or otherwise published. I grant permission for the Participant's picture, image, or likeness to be taken and used for any such purpose.

I understand that the Participant's participation in the Program will involve physical activities which could pose the danger of risk and injury. I fully assume all such risks inherent in the Summer Camp Program including, but not limited to, those described herein.

I hereby forever release, acquit, discharge and hold harmless ACC, its officers (President and/or Vice Presidents), trustees, board members, agents, employees, representatives, volunteers, successors and assigns for all manner of claims, demands and damages of every kind and nature whatsoever which the undersigned or the Participant may now or in the future have against ACC, its officers (President and/or Vice Presidents), trustees, board members, agents, employees, representatives, volunteers, successors and assigns on account of any personal injuries, physical or mental condition, known or unknown, to the person and/or the property of the Participant, and the treatment thereof, as a result of, or in any way growing out of the acts of ACC, its officers (President and/or Vice Presidents), trustees, board members, agents, employees, representatives, volunteers, successors and assigns for the operation of the Summer Camp Program, including but not limited to, their negligence or gross negligence, in rendering the services above described or in any way incidental thereto. This agreement applies to and is binding upon the parent/guardian, ACC, and their respective trustees, board members, officers (President and/or Vice Presidents), employees, agents, heirs, personal representatives, successors, and assigns.

SUMMER CAMP WAIVER

TERMS FOR RELEASE/WAIVER FORMS FOR PARENTS AND GUARDIANS

ALAMANCE COMMUNITY COLLEGE SUMMER CAMP RULES

- Respect other participants, instructors, and equipment.
- Always listen to instructors and speakers. Show consideration when others are speaking.
- Use appropriate language ... No profanity.
- Stay with the group.
- Please turn off/mute cell phones during class/session.
- Smoking is not permitted at any time.
- Never leave assigned activity areas without staff permission.
- Please dress comfortably and appropriately.

BEHAVIOR GUIDELINES & CONSEQUENCES

To provide a pleasant environment and ensure the safety of our campers and staff, campers' disruptive, destructive, and/or dangerous behavior is not allowed. Such behavior will result in the camper being dismissed immediately from the camp. When a participant is dismissed from camp for unacceptable behavior - there will be NO REFUND.

By submitting the ACC Summer Camp Program registration, I agree that I have read the terms listed and discussed them with my camp participant and we agree to comply with the Terms for Release/Waiver
