CAREER & COLLEGE PROMISE

The Career & College Promise (CCP) program allows qualified high school juniors and seniors in North Carolina the opportunity to pursue college courses (tuition free) while in high school. The CCP program accelerates completion of college certificates, diplomas, and associate degrees that lead to college transfer or provide entry-level job skills. CCP is designed for students who are college ready while in high school and who want to get a head start on college.

HOW TO BECOME A CCP STUDENT

- 1 Join us for an Information Session to see if CCP is a good fit.**
Visit alamancecc.edu/ccp to access
- 2 Apply Today! (PDF Application on CCP webpage)**
 - ▶ If you are a high school student in public, private, or charter school, please submit your application to your high school counselor. They will complete their portion of the application, gather your high school transcript, and submit it directly to the CCP office.
 - ▶ If you are a homeschool student, please make sure the application is completed in full, gather high school transcripts, a home school verification card, and submit via email to: ccp@alamancecc.edu
- 3 Meet your CCP Advisor**
 - ▶ Once your application has been processed, the CCP office will contact you to set up an advising and registration appointment with your CCP Advisor. Advising appointments can be done via in-person, ZOOM, or phone.
 - ▶ A parent/guardian is encouraged to participate in the advising appointment.
 - ▶ Advising appointments give students an opportunity to discuss career and/or college goals and next steps after high school, as well as current high school load and schedule.
