WHAT COMES NEXT AFTER CAREER EXPLORATIONS?

Great question! Students can intern, find employment, and/or continue their education in the specific career pathway. For more information and to schedule an intake session, please scan the QR code below to fill out an interest form so that a member of our team can reach out!

- CCR support classes are free, but some career exploration classes have a fee. Students can apply for scholarships to help cover partial costs.
- For program/class questions, please contact Tamatha Fullerwinder at 336-506-4308.
- For advising and next steps, please contact Laura Manigrasso at 336-506-4015.
