Deferred Action for Childhood Arrivals (DACA) - Business Sponsorship Form

Pursuant to N.C.G.S § 115D-39(a), North Carolina law provides a special benefit to employers choosing to pay the full cost of an eligible student/employee’s community college tuition. The employer is granted the in-state tuition rate, even when the student/employee does not meet the general requirements for in-state tuition. The law requires the student/employee to work at the employer’s North Carolina business location. The burden of proof is on the student/employee to establish that the business is a legitimate North Carolina business approved by the North Carolina Department of the Secretary of State.
