Thank You

ACC welcomes international students who have completed a secondary course of study (equivalent to 12 years post-secondary education in the USA) and possess the requisite English proficiency skills necessary to be successful in any of our programs of study.

We recommend that applicants collect all of the required admissions documents and submit them as a complete package for an admissions decision to:

**ATTN: International Admissions Counselor
 Alamance Community College
 P.O. Box 8000
 Graham, NC 27253-8000

Admissions Requirements for International Students

◆ Official transcripts (translated into English) from secondary school(s) and/or college(s) attended are required for international applicants. It is the applicant's responsibility to provide a notarized translation of all transcripts and to secure the services of an independent academic credential evaluation provider. These providers will charge a processing fee. We recommend the following providers:

AACRAO (American Association of Collegiate Registrars and Admissions Officers)	www.aacrao.org
ECE (Educational Credential Evaluators, Inc.)	www.ece.org
WES (World Education Services, Inc.)	www.wes.org

◆ Submit an official **TOEFL test score report** to meet established admissions requirements and document the level of English proficiency. Minimum admissions scores on the TOEFL test are: **TOEFL = 550 (paper-based), 217 (computer-based) or 79-80 (new iBT)**. Upon official acceptance to the college, applicants will be required to take ACC's college placement test (COMPASS) for use in English and math course placement.

Once the applicant has met the above academic admissions requirements, he/she will then:

◆ Submit a notarized **affidavit of sponsorship form**, requiring specific information about a local sponsor and their commitment to be financially responsible for you for the duration of your stay. Students meeting this and all of the above admissions requirements must then deposit **\$9,000.00 U.S. dollars** via money order or cashier's check on account in the ACC business office for use in payment of tuition for the first year of study.

◆ The **International Admissions Counselor** will then release an official **acceptance letter** and an **I-20 form** to the applicant for use in applying for a **student visa** in his/her home country.

School Transfer

Students wishing to **transfer to Alamance Community College from other institutions within the USA** must submit a **visa clearance form** in addition to all of the above documents. This form must be sent directly to ACC's International Student Advisor from the student's previous institution in a sealed envelope. **An official transcript** from the student's previous institution must accompany the student's ACC admissions application. *Students who have not completed at least one semester in the college that originally issued the I-20 form will not be considered for transfer to ACC.*

Alamance Community College is authorized under federal law to enroll **non-immigrant resident alien students**.
