

Section Suffix Legend

Courses that do not have a letter in their course code meet in person each week.

NEW
A

A: Service Learning Section

Service learning classes focus on connecting course content with actual experience; students in these classes will include one hands-on project either on campus or with a community partner. Service learning provides valuable experience to include on a student's resume.

C

C: Sections Linked with a Co-requisite Section

These college-level math or English sections are intended for students who also need to take the co-requisite support course based on the RISE placement criteria.

E

E: 100% Online Asynchronous Section

These sections are 100% online and the students may complete their coursework when it is convenient for them within the requirements of the assignment due dates.

H

H: Hybrid Section

These sections include a combination of required in-person meetings as well as asynchronous online learning.

J

I: Independent Study Section J: Credit by Exam Section

These sections are for students who earn credit for the course through an alternative means.

NEW
L

L: Hyflex Section

Students enrolled in these sections are able to flex between attending at the scheduled time in person, via Zoom (synchronous) or online (asynchronous), allowing the online students to interact with the instructor and in-person classroom activities in real time. Note: These courses are subject to audio and video recording.

NEW
M

M: 100% Online Synchronous Section

These sections will meet at specific times each week through Zoom or a similar platform. These online meetings are required.

N
Q
S

N: Evening Section Q: Off Campus Section S: Saturday Section

These sections meet at specific times and/or locations that are different from standard courses.

Y

Y: CCP/Early College Section

These sections are reserved for students in the Career & College Promise program or students at the Early College.

Z

Z: Honors Optional Section

Students in the Honors Optional sections may chose to complete an Honors Project to receive Honors credit for that course.
