

2020-2021 Parent Household Resources Verification

Your student's 2020-2021 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we must ask you to confirm the information reported on your student's FAFSA. To verify that the information is correct the financial aid administrator at Alamance Community College will compare your student's FAFSA with the information on this worksheet and with any other required documents. If there are differences, your student's FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at Alamance Community College. Alamance Community College may ask for additional information. If you have questions about verification, contact the Financial Aid Office as soon as possible so that your student's financial aid will not be delayed.
