**ATI TEAS Exam**

**What is the ATI TEAS exam?**

All students seeking admission to the Nursing Program must take an assessment exam called the ATI TEAS (Test of Essential Academic Skills) prior to the Nursing Program application deadline. ATI TEAS exam results will be accepted if scores meet ACC’s minimum requirements. Official scores must be no more than two years old. For information about ATI TEAS scores and ranking points for Alamance Community College, please refer to the Pre-Nursing Student Checklist provided in Moodle. The exam may be taken up to two times per calendar year, with the highest score being accepted. *The ATI TEAS exam offered at ACC is limited to currently enrolled ACC students.*

**ATI TEAS Exam Accommodation Request**

Students requesting testing accommodations for the ATI TEAS exam must submit documentation at least 15 business days before the exam date to ACC’s Coordinator of Disability & Counseling Services. Documentation must be current and should reflect the student’s present needs, functional limitation and include suggestions of reasonable accommodations(s).

The Coordinator can be reached via email at monica.isbell@alamancecc.edu or by phone at 336-506-4130. Late or last minute requests cannot be accommodated.
