ACC President is Keynote Speaker at MLK Jr. Celebration

The College hosts its annual celebration for Dr. Martin Luther King Jr. Day on Tuesday, January 21, at 12:30 p.m. in the auditorium.

Keynote speaker will be Dr. Algie Gatewood, President of Alamance Community College since October. Dr. Gatewood spent most of his career in North Carolina, first at Anson Community College in Polkton, NC and later in the Office of the President at UNC Chapel Hill from 1997-2004. Prior to his arrival at ACC, he served as President of the Cascade Campus of Portland Community College in Oregon from 2004-2013. Dr. Gatewood grew up one of five children who worked in cotton fields to help his family income. Dr. Gatewood and his four siblings all graduated from college and have made careers as professionals.

ACC students participating in the celebration are Lauren Slattery, invocation; Samantha Hunter and Heidi Garcia, readings; and Muriel Freeland, music.

Students who attend will receive attendance slips for extra credit.

The Martin Luther King Jr. Celebration is sponsored by the ACC Diversity Committee.

New Students: Activate ‘ACC Alerts’

Since the fall semester, emergency alerts have been linked to all student, staff and faculty ACCess email accounts. Anyone who has a college email account is automatically enrolled.

However, participants have an option to add additional emergency phone numbers, including those for text messages, if they open an “ACC Alerts” account (from the ACC web home page, go to Services for Students, then Safety and Security, then ACC Alerts).

Says Ryan Hendricks, Security Supervisor: “Everyone gets an email alert. But we urge them to open an account and provide separate cell phone numbers. This way, they will get these emergency alerts in more than one outlet. It’s a better way to contact people simultaneously.”

Message types include any emergency situations on campus, and all weather alerts which last fall were used to inform students and employees about class delays.

No one with an ACCess email account can unsubscribe from the Alert Mass Notification System.

Campus Bookstore: Textbook Rentals Available

The Follett Bookstore initiated renting textbooks to ACC students this semester, a national trend designed to save students money. Here’s the 411:

- Financial aid can be used.
- A branded (Visa, MasterCard, etc.) credit card must be used for rentals. No matter how a student pays for rentals, a credit card must be swipeable as collateral in the event a rental book is not returned or has been damaged by the end of the semester.
- Rental cost is about 50% of full purchase price (example: $100 book is rented for $50)
- Not all book titles are available for rental.

- Students may use the rental as if they purchased the textbook outright (ex. highlighting and underlining is allowed). Like a previously-owned textbook, the rental must be in good shape for resale.

Says Scott Steger, Textbook Manager: “We are excited to add rental as another way for students to save money on textbooks in store. This has been something that we have been excited to add for our students for a long time. Rental, along with the digital textbooks that we sell, can really help with the financial burden that school materials can bring every year. The students that have talked to seem as excited about this as we are.”

Who Are ACC’s Teachers of the Year?

Do you know an ACC instructor who deserves recognition for his or her excellent teaching skills? The Faculty Affairs Committee is now receiving nominations from each of the four curriculum divisions in order for faculty to select a:

- Full-time instructor as the College’s faculty member of the year recipient
- Part-time faculty member from each of the four curriculum divisions

Nominations are requested from each division: Health and Public Services, Arts and Sciences, Business Technologies, Industrial and Graphics Technologies, and Continuing Education.

All faculty, credit and non-credit, who taught at least one course during the summer of 2013 or the current academic year (2013-2014), are eligible for consideration.

Students, faculty, and staff are encouraged to nominate instructors. Write a letter of nomination, outlining why the instructor is worthy of the honor including any accomplishments in the area of advising.

All nomination letters, including those for instructors teaching at the Dillingham Center, should be sent to Alex Bailey (mailbox #105) on the Carrington-Scott Campus.

Deadline for receipt of nominations is Wednesday, Jan. 29.

English Instructor Published

ACC English instructor Dr. Marla Dunham was published in a national journal last fall. Her article, “Celebration and Loss in American Literature through Georgia O’Keeffe,” was published in a special issue of Community College Humanities Review Fall 2013, which was devoted to articles about O’Keeffe. Said Dunham: “These articles resulted from the workshop on O’Keeffe for community college instructors which I was privileged to attend in the summer of 2012. The workshop was sponsored by the National Endowment of the Humanities.”

Computer Information Technology Names Department Head

Lakeisha Vance is the new Department Head of Computer Information Technology, replacing the retired Michael Dunklebarger. She has been employed at ACC since 2004 as an instructor in Web Technologies, where she developed the majority of that program’s AAS degree. She also served as Interim Distance Learning Coordinator in 2012. At UNC Greensboro, Lakeisha earned Bachelor of Science degrees in Accounting and Information Systems, and in 2004 a Master of Science in Information Technology and Management. Her previous employment includes stints at ECPI College of Technology as a technical instructor; at AT&T Connectivity Solutions as a Web developer and programmer analyst; and at Forsyth Technical Community College as an adjunct instructor.

Graphic Design Names Interim Dept. Head

Instructor Denise Archuleta has been named Interim Department Head of Advertising and Graphic Design following the December retirement of Kirk Puckett. Archuleta began her career with ACC in 2000 as a part-time instructor and became full-time in January 2002. She earned an associate degree in mechanical drafting and design from Forsyth Tech in 1979. For the next eleven years, she worked at Sandia National Labs, Kirkland AFB in Albuquerque, NM, first as a design draftsman and later as supervisor of the computer graphics department. She later worked at AT&T and at Lucent Technologies in McLeansville, NC.

Officer of the Quarter

ACC campus security officer James Tripp (left) was named Officer of the Quarter for the third quarter 2013. Security Supervisor Ryan Hendricks made the presentation.
Military veterans who enroll in ACC’s Basic Law Enforcement Training (BLET) program can now use their government benefits to help pay for their tuition costs.

This is a change from recent allowances. When the BLET program was part of ACC’s curriculum, veterans could use their military benefits as payment. But once BLET was moved to Continuing Education (CE), the benefits stopped because the NC State Approval Agency in Raleigh determined that only degree and diploma programs could be approved for VA benefits. BLET is a certificate program.

“We were losing students to other schools where they could receive the VA benefits,” said Gary Saunders, Dean of Continuing Education at ACC. “We lost three students last semester because they could not get VA benefits. Most other schools offered their BLET courses through curriculum.”

ACC put together a team who worked to achieve VA benefits for BLET students: Dr. Carol Disque, Dean of Student Development; Sherry Miller, Financial Aid/VA Technician; Tony Holland, Coordinator of Law Enforcement Training; Dave Parker, Director of Occupational Extension; and Gary Saunders, Dean of Continuing Education.

Working to restore veterans’ benefits for BLET students were ACC’s (l-r) Dr. Carol Disque, Sherry Miller, Tony Holland, Dave Parker and Gary Saunders.

Veterans’ Benefits Now Pay for BLET Students

Said Saunders: “There are standards of progress, attendance and conduct requirements that must be met for VA benefits to be issued. The academic, admissions, and student finance policies for CE courses are usually not consistent with the school’s curriculum programs and therefore needed to be enhanced for approval to be considered. It required a lot of documentation.”

FAQ

Q. Do all NC community colleges provide VA benefits for BLET?
A. All community colleges in North Carolina provide VA benefits to students in curriculum programs. Continuing Education programs must be looked at on an individual basis for VA approval. Very few continuing education programs are approved for VA benefits.

Q. How much of BLET tuition do VA benefits pay?
A. It depends on the type of VA benefit the student is receiving. The Post 9/11 will pay tuition up front for veterans depending on the entitlement for which they are eligible. It could be 40-100 percent of tuition depending on the years of military service; veterans would also receive a book stipend up to $500 per semester and a basic housing allowance up to $878 a month. Montgomery GI Bill recipients would pay their tuition out-of-pocket and receive a monthly entitlement of up to $1,400 while enrolled full-time. Several other VA educational benefits are available that pay monthly benefits according to the type of military service.

Q. Who is contact person for vets interested in this?
A. Students interested in BLET should contact Tony Holland, Coordinator of Law Enforcement Training, about admission requirements; and Sherry Miller, Financial Aid/VA Technician, for required VA documentation requirements.

BLET students practice real-world applications.

Family, co-workers, and friends gathered in ACC’s Powell Building on December 16 to honor the late Audrey McBane with a named conference room in the Nursing Department in recognition of her major financial contribution to an ACC Foundation nursing scholarship.

The Audrey McBane Scholarship was initiated by Kernodle Clinic in 1993 upon McBane's retirement from that facility where she worked for many years as a nurse and administrator. The scholarship has helped with the tuition cost of nursing students. Following the death last year of Audrey McBane's husband, the remainder of the McBane estate is now being added to the scholarship fund.

According to Carolyn Rhode, Executive Director of the ACC Foundation, the value of the McBane bequest—once the estate is settled—will be in excess of $275,000. This bequest will be added to the Audrey K. McBane Nursing Scholarship endowment held by the ACC Foundation.

The augmented scholarship is expected to support up to eight nursing students annually.

Alma Thompson, Department Head of Nursing at ACC, helped unveil a new portrait of Audrey McBane that now hangs in the renamed conference room. A plaque designating the conference room as the Audrey and George McBane Conference room is displayed on the door of the room.

Addressing an audience of McBane’s family and former co-workers, ACC President Dr. Algie Gatewood said, “Today’s event is representative of the support that ACC gets from the community. We are a college of the community and the community is truly represented today… We are so honored to be the recipient of this significant bequest from Audrey and George McBane’s estate.”

Sue Rich, ACC Foundation Board President, said, “Last year the ACC Foundation was able to assist more than 650 students to achieve their dream of a college education at ACC. Hundreds of individuals and organizations joined together to make that assistance possible. However, the challenge continues and as a board member, I know we cannot stop seeking assistance for those students who have the potential and just need the opportunity.”

In addition to the many McBane family members, guests included Kevin Bilson, President of Kernodle Clinic; Kathy Hines, HR Director of Kernodle Clinic; Mike Lunsford, Associate Administrator of Kernodle Clinic; Sheriff Terry Johnson; and Dr. Earl Daniele, former President of Elon University.
Martial Arts Enthusiasts
Instructor Susan Dalton and her Aikido class display a shomeshio, artwork created by a Japanese calligraphy master whom she saw last summer during a visit to her Aikido master teacher in Japan. Her teacher in Greensboro had commissioned this shomeshio for ACC’s aikido classes. The shomeshio is translated as “Aikido” and is displayed for special occasions—this being a final exam for the students in December. This spring a Friendship Seminar is planned on the ACC campus, which brings together dozens of Aikido enthusiasts from around North Carolina.
